Notes

You must attend school on Wednesday (or have a medically excused absence) in order to attend contest on Thursday
Please wear dress black - Appropriate conservative dresses are acceptable, Long sleeve button up black shirt (males), Black dress shoes (all), long black socks, etc.

Students will need money for lunch in Stillwater. Students like to use this trip as an opportunity to eat at a nicer restaurant, however fast foods options are available on campus.

Students may bring a small bag for change of clothes after their performance. Please note - there is no true storage area except for a large room used for warm-up so do not attempt to store valuables in this bag.

Please do not roam around campus for fun - you are to either be at the student union, lunch, or in transit between the two.

A performance schedule is available in the bandroom and online.
